Charity Appeal for Burglars!

Support your local Burglar!
Get a Smart Meter!

Burglars have had it tough recently. Modern Burglar alarms made their job difficult. Thanks to Smart Meters, all the Burglar needs is a paid informant or relative from the power supply company! They tell the Burglar when you are not using power so they know you are not at home!

Smart Meters, The less than Smart way to get robbed twice!

First by the Power Supplier and second by a professional Burglar!
